

WINDOW SIGN STANDARDS

Process:

- Applications can be obtained and submitted at the Building Services Division Permit Counter.
- The Planning and Zoning Department will conduct a review of the application.
- If the application meets the window sign standards a permit will be issued.
- The permit will be picked up at the Building Services Division Permit Counter.

What is a Window Sign?

- Any sign located within a window or upon the inside or outside surface of the window glass that is used to attract attention on the premises is a window sign.
- Signs located within THREE feet from the window opening shall be considered a window sign.

What is Window Area?

- Total square footage of all glass areas of a storefront.

Which Type of Window Signs are Permitted?

- Professional/financial affiliations,
- Services and products,
- Menus/price lists,
- Opening hours and other similar signs.

Which Type of Window Signs are Prohibited?

- Automatic changeable copy signs are prohibited as window signs.
